CITY COUNCIL.

BOARD OF ALDERMEN.—Board met at the usual time and place.

A communication was received from the Mayor, commencing David W. Garst for Treasurer of Ward and Coal in the Annapolis district. John H. Bird for Inspector and Treasurer of Ward; John Chalm, vice Jacob G. Omer, delinquent for Scavenger of the first district; First ward; Albert J. K. Baker, for Police Constable of the third district; Edward B. Bury for Apothecary to furnish medicines for the Fifth ward; Wm. Jourdan, Scavenger for the Fourth ward; Josiah Adams, Inspector of the Asylum.

Also, an approval of an act to provide for the payment of the fifth installment and half-yearly interest of guaranteed bonds.

Another, asking concurrence of the council in closing the office of the corporation on the 23d of February.

He also communicated the following:

The success of the efforts to preserve the Union, at Gettysburg, Rich Mountain, Antietam, Guilford, Hatteras, Fort Mifflin, Dragoonville, Fort Henry, and the more recent and brilliant achievement at Roanoke, and the last and greatest at Fort Donelson, which so easily loyal hearts, is especially welcome to the citizens of Washington. And, as the maintenance of our national integrity is vitally important to the existence of our city as the Federal metropolis, and our well-being as a Union city, it might not be improper to testify, in some public manner, the satisfaction these events afford.

Richard Wallace, Mayor.

A petition was submitted from James White for the remission of a fine.

Mr. Richards, of the third ward, offered a resolution relative to recent Union victories, thanking the President and Cabinet for their foresight and wisdom, and the army and navy for their heroic achievements; which was passed unanimously.

A bill amending "an act making appropriation for renting station houses, for improving and repairing the same, and for the purchase of fuel, heating and lighting the same," was read a third time and passed.

Mr. Lloyd, of the seventh ward, from the Police Committee, reported a bill relative to transfer of licenses.

Mr. Moore, of the fourth ward, offered a resolution requesting the Committee on Finance to report on the petition of Mr. C. E. Seal, referred to said committee on the 19th of August last.

Mr. Lloyd, from the Police Committee, reported an act providing a penalty for selling coal in any other way than by the ton of 2,240 pounds. Read a third time and passed.

Mr. Lloyd, from the same committee, to which was referred an act relative to the way of laborers at Northern Liberty Market, reported a substitute.

By this bill, it is to be certified by the Clerk, approved by commissioners, and paid by the Mayor when so certified by the Mayor. Passed.

Mr. Lloyd submitted a resolution inquiring of the Committee on Finance the expediency of omitting the names of officers and soldiers of the District from the advertised list of delinquents to pay taxes.

Mr. Fisher presented the petition of S. Held, praying for the remission of a fine.

Mr. Brodhead, of the fifth ward, from the committee to which was referred an act and Ohio railroad, relative to the construction of steel railways, reported that an interview had been had with Mr. Garrett, who represented that the counsel of the Baltimore and Ohio railroad, Messrs. Loring and Loring, had given their opinion, to the effect that the Baltimore and Ohio road embraced in their charter the franchise of such a road. Mr. G. and others of the directory were not supposed to use the franchise, except to secure the transfer of freight between their road and Georgetown. The report indicated that, in case neither of the projects now before Congress was successful, the franchise of the Baltimore and Ohio road for the construction of steel railways. Preference was given to the Baltimore and Ohio road, which proposed to take the franchise of the Baltimore and Ohio road, rather than the House bill, which is charged with being the work of a combination of cliques of speculators, mainly for the benefit of capitalists in New York and London.

Bills from the lower Board were referred to appropriate committees.

The resolution favoring the passage of the bill in Congress for the incorporation of the proposed new gas-light company coming up from the lower Board.

Mr. Richards favored the passage of the resolution, giving statistics of the price of gas in other cities, and urging its adoption on the score of economy and healthful competition.

Mr. Bohrer, of the sixth ward, preferred to ask Congress rather to reduce the price of the gas of the old company.

Mr. Brown, of the third ward, deemed the passage of the resolution an injustice to the old company, which had struggled for years before it was able to pay a dividend, and the stock of which could be sold in the market at an amount at par, especially at this time, when the price of coal is so high. When the present war should be over, and coal could be obtained at a reasonable rate, the old company could be sold for a large sum, and the stock of the proposed company given a contract to the company for the gas required by the Government, for the term of ten years, at \$5.50 per thousand. He would be glad to get away from his property into compliance with such a charter, even at the price of two dollars per thousand.

Mr. Brodhead favored the resolution.

By motion of Mr. Richards, the resolution was postponed till next Monday.

Mr. Lloyd submitted a resolution in favor of procuring the transfer of the franchise for street railways from the Baltimore and Ohio railroad to the Washington and Annapolis Company, as a basis for the operations of such railway company.

The special order, the resolution favoring the street railway bill passed by the Senate, being under consideration.

Mr. Lloyd offered as a substitute his resolution submitted as above.

Mr. Brown spoke in favor of this substitute.

Pending its further consideration, the Board adjourned.
